

Morrisville-Marion C. Early Schools

In 1925 Marion C. Early purchased the Scarritt-Morrisville College Hall building and gave the building for a high school for the town of Morrisville. This building was struck by lightning and burned to the ground in 1927. A new building was built and stands today as a tribute to the farsightedness of Marion C. Early, carrying his name through the years.

1919 Morrisville High School

Bicknell, Paul E.
